RE: WATERMASTER'S REPORT FOR 2002
WATER DISTRICT #11

Dear Mr. Rasmussen:

The Watermaster's Report you submitted has been reviewed. We are returning the form to you. Please note that the amounts in columns #2, #3, #4 and #5 have been completed for you. This is something you will need to do on your future reports before you submit them to this office. We have enclosed an extra copy for you to keep to use as a guide for future reports.

You will need to complete the front page and sign it in front of a Notary Public. The report is not valid until this is done. The areas that need to be completed by you are highlighted in yellow.

Please complete the Watermaster's Report form and return it to us within the next few days. Once this is received we can then send the forms needed by the water district's secretary to conduct your annual meeting.

Sincerely,

Harold W Jones
Water Right Supervisor
